

Fascinating Copenhagen, Zealand & Funen

Follow The Ugly Duckling and the tracks of the great fairytale author Hans Christian Andersen experiences in a scenic cross-country bike tour.

The fairytales by the Danish poet H. C. Andersen are famous and loved worldwide. He was born in Odense, the capital of Funen, but he lived most of his adult life in Copenhagen – when not travelling. Wherever he went, he had a significant influence on things and people around him and when following his tracks you bike through amazingly beautiful and varied landscapes of the two largest islands in Denmark.

Day 1. Arrival in Copenhagen

Welcome to a capital where cyclists are kings! Enjoy the cozy and relaxed atmosphere, easy-going living and plenty of experiences in a combination of old-world charm and modern lifestyle. Copenhagen is a melting pot of interesting options and you can easily spend a few days here without getting bored.

Day 2. Copenhagen

At 10 AM we offer a guided cycling tour in Copenhagen city visiting both the main attractions of Copenhagen including the Little Mermaid and other places connected to H.C. Andersen (hereafter HCA). Duration 2-3 hours.

Day 3. Copenhagen - Roskilde (app. 32 - 50 kms)

Through the national park *Amager Fælled* you leave Copenhagen and continue South on car free bike paths along the coast of Køge Bay. At Greve Beach you turn into the new path *Hedebostien* connecting Køge Bay with Roskilde Bay. Alternatively you may choose a shorter route. From a distance you see the spires of the Roskilde Cathedral (UNESCO World Heritage Site). The sarcophagi and tombs of 38 Danish kings and queens laid to rest here make this church special because nowhere else in the world are so many kings and queens buried in the same church. Visit also the Viking Ship Museum with both original viking ships and replicas.

Day 4. Roskilde – Sorø (app. 51 kms)

Sorø has a rich cultural history and many important Danish authors have lived here. HCA often travelled in Denmark and abroad, and he stayed with friends at several manors and castles in Zealand while writing new stories. One day he walked in the park, saw a swan in the lake and was inspired to write the story of the Ugly Duckling.

Day 5. Sorø - Nyborg (app. 38 km + train)

Today you arrive in Funen! We cycle the last stage in Zealand from Sorø to the charming Korsør with a very maritime spirit because this spot is the closest to Funen and ships sailed these waters since the beginning of time. Today the impressive Great Belt Bridge makes the crossing fast and easy by train from Korsør and after arrival in Nyborg there is app. 1,6 km to the hotel. Nyborg is an historic, yet charming city where it is easy to follow the trails and signs back in time. For more than 400 years up to 1560 Nyborg was the capital and center of Denmark, and the old Danish kings preferred to stay here and rule the country from Nyborg and the oldest royal castle in the Nordic countries. The castle is worth a visit.

Day 6. Nyborg – via Kerteminde - Odense (app. 49 kms)

You bike along route 40 to the charming fishing town of Kerteminde and the maritime centre of Fjord & Bælt. Go under water or enjoy art at the Johannes Larsen Museum. The trip continues into the centre of Odense, the city and birth place of our author. Take your time to explore this nice city and visit the newly renovated Hans Christian Andersen's House and museum.

Day 7. Odense - Svendborg (app. 60 kms)

Den Fynske Landsby (Funen Village) is an interesting open air folk museum with traditional Funen half-timbered houses from the period pre-1840, museum and workshops. A visit here gives you an idea of life performed in the days of HC Andersen. The road twists and turns through soft rolling hills on the way to Ringe and the impressive castle Egeskov Slot, which we recommend to visit but not stay for several months like HCA did. Near Stenstrup you can see the so-called Stenstrup Ice-lake before continuing to the Hvidkilde Manor house and through Amalieskov wood. Just before a vantage point at Egeskov Mill you can get the most magnificent view of the South Funen Archipelago and you will soon arrive in the cosy city by the sea, Svendborg.

Day 8. Svendborg - Faaborg (app. 30 km + detour?)

Owe it to yourself to visit Valdemar Castle at the island Tåsinge just outside Svendborg.

In stead of cycling to Tåsinge you might take the old ship Helge from Svendborg, visit the castle and cycle towards Svendborg along the sea at a beautiful route passing through the small idyllic village Troense with old maritime traditions, culture and spirit. The Cycling Route no. 8 along the sea between Svendborg and Fåborg is the most idyllic one in Funen. Alternatively you can sail from Svendborg to the charming island Ærø, cycle and enjoy the maritime cities Ærøskøbing, Marstal and Søby and end the day arriving in Faaborg by ferry.

Day 9. Faaborg – Odense (app. 51 kms)

Today you start the bike tour through the "Alps of Funen" with the famous moraine landscape at Svanninge Bakker. A distinctive attraction is the yellow medieval church Svanninge Kirke with it's high spire, that is visible from afar. Brobyværk was founded during the Viking Age. The river Odense Å runs through the village and was used for a gun factory that was established here in 1648, and it was probably the first serial manufacture of weapons in Denmark. After Brobyværk the landscapes changes to being more flat and plainlike. From Fangel you follow the Odense Å bike path along the river to the centre of Odense.
