

Family Cycling Holiday in *South Funen*

2015

South Funen Family Tour

Enjoy the fairytales and the charming islands with unique maritime spirits - and plenty of time for activities and fun for the whole family.

This bicycle holiday gives you many opportunities for some great bicycle experiences in the southern part of Funen region. Every day offers new daytrips and activities with Svendborg as your base, so do not worry about luggage transportation - just cycling, sailing and having fun.

Day 1. Arrival in Svendborg

Welcome to Funen and the charming town by the sea, Svendborg. This second largest town in Funen is placed by the southern coast of the island and has a cosy atmosphere, a rich history and many great attractions. Visit the modern and active museum of natural history, Naturama, take a stroll in the city centre or make a short trip out of town to the Gorilla Park Svendborg to take a walk in the treetops.

Day 2. Daytrip to the island Ærø

Take the ferry to Ærø and bring your bicycles. Romantic half-timbered houses in many colours, cobblestone streets and a truly unique maritime spirit characterises this charming island in the middle of the South Funen Archipelago. Choose between different routes and go around the island, which is easily done in a day, or take your bikes along the beach to the small picturesque beach houses.

Day 3. Daytrip to Egeskov Castle, 32 km

The excursion of the day goes to impressive Egeskov Castle with the well-preserved moat, a wide selection of activities, museums and exciting gardens to explore. See if you can get through the labyrinths, walk in the treetops, and visit Dracula's crypt or the inside of the castle.
